

Dear Colleagues,

NOMINATIONS ARE NOW OPEN!

The North and West London Faculty of the RCGP is pleased to announce that we are planning a major awards ceremony celebrating excellence in primary care in the North West London area.

We think that patient volunteers should be celebrated for the efforts and impact they make. So, we are honoured to present the Patient Participation Group Award 2020. Self-nominations are welcome, but it would be great, if you can get your practice to put your group forward.

The lifetime achievement award is open to anyone who has dedicated their life to primary care and who is an inspiration to others.

The other awards that you may be interested in making a nomination for, are:

- General Practitioner of the year (2020)
- Practice Nurse 2020
- Health Care Assistant Award 2020
- Receptionist Award 2020
- Practice Manager Award 2020
- Practice team of the year 2020
